

STRATEGIC PARTNERSHIP OPPORTUNITY

Build Together. Share Risk. Share Success.

YOUR IDEA + OUR TECHNOLOGY = A SCALABLE BUSINESS

ZIMA Solutions Limited invites visionary entrepreneurs, companies, and institutions to form **true strategic partnerships**. If you have a strong business idea or a growing project that needs world-class technology, we offer a **transparent 50/50 partnership** to co-invest, co-build, and co-own high-impact digital solutions.

This is not a vendor relationship.
This is shared risk, shared ownership, and shared upside.

Let's Build Something That Lasts

Area	You	ZIMA
Equity Ownership	50%	50%
Investment & Costs	50%	50%
Revenue & Profits	50%	50%
Strategic Decisions	Joint	Joint

No hidden charges. No vendor lock-in. No one-sided contracts.

Only long-term collaboration built on trust and results.

WHAT ZIMA BRINGS

Proven Technology. Real Execution.

We have built and deployed **26+ production-ready solutions** across fintech, enterprise, and public-sector systems.

Support & Monitoring

LEADERSHIP & EXECUTION TEAM

Role	Name	Focus
CEO	Andrew Mashamba	Strategy, innovation, partnerships
Finance & Operations	Caroline Ceasar Shija	Financial governance & operations
Technical Officer	Simon Mpembe	Architecture & system integrations
Business Development	Khafsa Hassan Lulela	Market growth & partnerships

Technical Excellence

- ✓ Full-stack & scalable architectures
- ✓ Bank-grade security & compliance
- ✓ Regulatory experience (BOT & financial systems)
- ✓ Agile development & continuous improvement
- ✓ Long-term maintenance & support

IDEAL PARTNERS

We Partner With:

Entrepreneurs & Visionaries who have:

- A validated market need in Tanzania or East Africa
- Clear problem-solution alignment
- Industry knowledge and execution capacity
- Long-term growth mindset

Companies & Institutions that:

- Have strong ideas but limited technical capacity
- Need to digitize existing services or customers
- Want to scale without outsourcing ownership
- Believe in shared-value partnerships

Priority Sectors:

Financial Services & Fintech | Healthcare & Healthtech | Education & Edtech | Agriculture & Agritech | Government & Civic Tech | Retail & E-commerce | Real Estate & Property Management | Logistics & Supply Chain

- 1 **CONNECT** - Share your idea or project
- 2 **EVALUATE** - Joint feasibility & market assessment
- 3 **AGREE** - Clear partnership & ownership terms

- 4 **BUILD** - Co-invest and co-develop
- 5 **LAUNCH** - Go to market together
- 6 **SCALE** - Grow, optimize, and expand

PARTNERSHIP IDEAS WE'RE READY TO BUILD

- > Digital lending platforms
- > Healthcare appointment & payment systems
- > School fees & parent engagement platforms
- > Farmer-to-marketplace solutions
- > Event ticketing & management systems
- > Property rental & management platforms
- > Fleet & transport management systems
- > Restaurant & hospitality POS
- > Cooperative & savings group platforms
- > Freelancer & talent marketplaces

Have another idea? We are open and ready.

WHAT MAKES THIS DIFFERENT

Vendor Model vs Strategic Partnership

Traditional Vendor	ZIMA Partnership
You pay everything	We co-invest 50/50
Vendor delivers & exits	We stay and grow
One-sided risk	Shared risk & reward
Fixed scope	Flexible, evolving
You own alone	We build together

OUR SUCCESS TARGETS

- ✓ Sustainable recurring revenue
- ✓ Thousands of active users
- ✓ 40-60% operational efficiency gains
- ✓ High customer satisfaction (above industry NPS)
- ✓ Systems built to scale **10x and beyond**
